

O.N.E.

O.N.E. is an acoustic jazz quartet – the artists mix lyricism and songwriting with wild and uncompromising free-jazz energy.

The Polish band released two albums: One (2020) and Entoloma (2022). The first album was nominated for the FRYDERYK award, received a Jazz Oscar at the Grand Prix Jazz Melomani Gala in the Jazz Hope category and won the Jazz Forum reader's poll in the same category.

The band has performed at great jazz festivals such as: Polish Jazz at Tel Aviv, Athens Jazz Festival, Polska Jazz Festival in Budapest, B-Jazz in Belgium, as well as at many important festivals in Poland.

As a band, O.N.E. are proud that as women they can represent the young jazz scene and pave the way for the next generations of young female artists.
